Pedders has recently expanded its range of control arms to suit selected Toyota, Camry, Corolla and Yaris models. Our latest range is supplied with mounting hardware and bushings included (where necessary) to make installation easier and more efficient. Pedders control arms are engineered with enhancements to the OE product design. These enhancements include reinforced forging, improved ball joint design, and more durable bushings to provide better wear characteristics, longer service life, and improved customer confidence.

Pedders control arms offer the following key features and benefits:

- High quality, direct upgrade replacement for original parts.
- Designed for ease of installation and to save time for the installer.
- Allow for quick replacement and easy alignment.
- Clean product finish for that “as new” feel.
- Restores alignment geometry faster.
- Avoids damage to control arm assembly during disassembly.
- 2 Year/40,000km nationwide warranty.
