## Pedders Gas SportsRyder Shock Absorbers

Part #	Make	Model	F/R	Description
141227	Ford	Ranger 2WD 2006-2011	R	SportsRyder Shock
141227	Mazda	BT50 2WD 2006-2011	R	SportsRyder Shock

Pedders now offers replacement SportsRyder shock absorbers to suit the rear of the ever popular 2WD Ford Ranger and Mazda BT50.

### 9100 Series TrakRyder Shock Absorber Features & Benefits:

- Premium grade oil used to withstand high operating temperature and continued rigorous use.
- Multi lip high pressure seal prevents shock absorber leaks and is designed to permanently seal the oil and gas inside the shock.
- Large 35mm bore and piston is greater than most original equipment size and provides an increased oil capacity for greater ride improvement.
- Heavy Duty twin-tube construction technology & heavy duty reinforced double welded mountings for long term durability.
- Rugged multi-purpose design improves stability and ride comfort for touring, load carrying, towing and moderate off road applications.
- Advanced control for a comfortable ride and precise handling.
- Ideal for standard or raised height vehicles and matched to Pedders range of TrakRyder springs.
- Individually shock dyno tested for quality assurance.
- Severe Off Road Vehicle Compliant
