The Pedders range of standard replacement shock absorbers has recently expanded to include front and rear shocks to suit the Mazda CX-7 and Subaru Impreza.

Pedders shock absorbers are an ideal alternative for the budget-conscious motorist who is simply looking to return his/her vehicle back to its original ride and handling qualities. However, the additional features give similar performance to premium quality gas shock absorbers at a more affordable price. These features include; precisely tuned valving, heavy duty construction and accurate nitrogen gas pressurisation. These key features equate to a superior shock absorber with smoother and quieter ride characteristics.

Pedders shock absorbers offer the following key features and benefits:

- High quality, direct upgrade replacement for original.
- Nitrogen gas pressurised for consistent and precise control.
- Heavy duty construction for long term durability.
- Smooth and quiet ride characteristics.
- 2 Year/40,000km nationwide warranty.
