Pedders have just added SportsRyder lowered coil springs to suit the 2012-On VW Golf Mk 7 range of models. With a choice of 2 different lowering heights on the front and 1 for the rear Pedders has all the options covered for you. Pedders Part # 2912 offers an approximate rim to guard ride height of 620mm with 18" wheels fitted to the vehicle. With Pedders Part# 2942 and #2929 you receive a matched rim to guard ride height of 610mm with 18" wheels fitted to the vehicle.

Pedders coil springs are produced in Melbourne Australia to the highest possible standards following ISO 9001 International Standards, ISO 14001 International Standards & AS/NZS 4801 Safety Standards. All Pedders coil springs are made according to a strictly controlled design, manufacturing and testing process that ensures Pedders' coil springs exceed original tolerances and are equal to or exceed the best in the world in consistency of rate, loaded height and reliability. This provides for a quality product in every coil manufactured.

If you're looking for that great lowered look on your vehicle you can't go past Pedders SportsRyder lowered coil springs. The increased spring rate provides improved handling for a sporty drive.
