Pedders is pleased to announce its latest range of adjustable coilover suspension kits to suit a variety of vehicles.

The award winning Pedders eXtreme XA Adjustable Coilover offers exceptional ride and handling characteristics. With the ability to be able to raise or lower the car to suit your driving needs, the eXtreme XA kit is a valuable component for the street tuner or weekend track day racer. Packed with performance features the eXtreme XA offers:

Integrated dust boot to minimize contamination and protect shaft and seal

30 Position adjustable bump and rebound damping

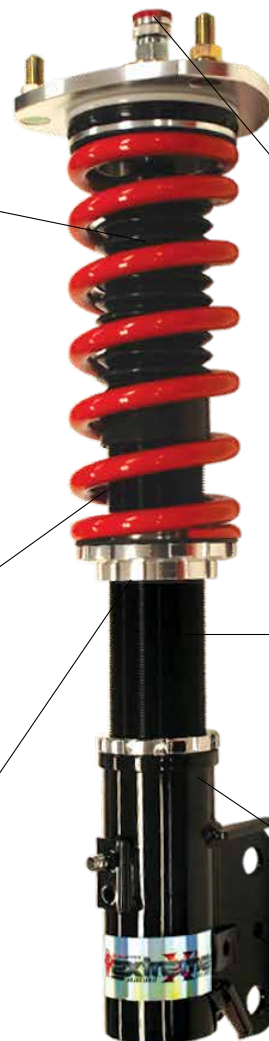

Alloy steel motorsport coil springs

Fully threaded monotube body

High grade aluminium spring seats

Fully adjustable high grade steel lower mount for height adjustment

Factory style bracketry for direct fitment
