Pedders Camaro Parts Catalogue

Pedders is pleased to announce its catalogue parts collection for the Chevrolet Camaro 2009-On model range. With a host of parts to suit the performance-oriented driver Pedders has you covered for all items such as adjustable coilovers, lowered coil springs and urethane bushings.

Of particular interest comes the Pedders eXtreme XA adjustable coilover suspension kit. The kit comes complete in a set of 4 monotube shock absorbers. When fitted to your camaro, the Pedders eXtreme XA Adjustable Coilover provides exceptional ride and handling characteristics. With the ability to be able to raise or lower the car to suit your driving needs, the eXtreme XA kit is a valuable component for the street tuner or weekend track day racer. Packed with performance features the eXtreme XA coilover offer 30 position adjustable damping at the click of a button.

Also on offer for the 2009 onwards model Camaro is Pedders range of SportsRyder lowered coils. If you're looking for that great lowered look on your Camaro you can't go past Pedders SportsRyder lowered coil springs. The increased spring rate provides improved handling for a sporty drive.

Additional to the range comes our urethane bushings, coilover camber plate and SportsRyder shock absorbers. We are constantly adding parts to our range so please see in store for further information on all the latest Pedders parts offered for the Chevrolet Camaro.
