Pedders Geomet Coated OEDR Brake Rotors

Pedders range of Geomet Coated brake rotors has now been made available to suit the Ford Falcon BA-FG range of models. With a Geomet coated finish these brake rotors are the premium upgrade or replacement solution for your Falcon.

Features and Benefits:

- Made from the highest grade raw materials and manufactured with the highest possible standards.
- Geomet coated for better anti-corrosion protection.
- Designed for consistent brake pedal feel.
- Guaranteed to fit genuine OEM specifications.
- Provides longer service life of wheel bearing and steering components.
