Pedders has recently expanded its high quality range of braided brake hoses. Offering these addition features and benefits you can't go past Pedders to bring the very best in brake parts.

Pedders stainless steel braided brake hose kits eliminate brake line expansion caused by factory fitted rubber brake hoses. An ideal upgrade offering improved pedal feel and reducing stopping distances. The Stainless Steel braid provides superior protection from flying road and off-road debris peace of mind in extreme conditions.

Features and Benefits:

- Improved safety with enhanced performance.
- Reduce braking distance during a panic stop.
- Eliminates pedal sponginess under firm / heavy braking.
- Allows immediate brake pedal response.
- Increases braking efficiency.
- Abrasion & corrosion resistant.
