Pedders Shock Absorbers Now Available for Mercedes Models

Pedders are proud to offer its range of shock absorbers to suit Mercedes models.

For motorists who are after that extra level of performance and sports handling, Pedders SportsRyder shock absorbers are the ideal choice. The gas-charged GSR Sports Ryder shock range uses high nitrogen gas pressure to enable precise control without compromising on ride comfort. These Gas Sports Ryder shocks are a high performance, heavy duty replacement unit, which deliver a new standard of comfort and road holding ability for your vehicle. This Shock is a shortened length shock for lowered applications.

Please visit our extensive parts catalogue for further parts listings.
