

NOW IN STOCK

BUSHES BUSHES BUSHES BUSHES BUSHES

Pedders Suspension now has in stock a new heavy duty castor bush called the EP9166E to suit VT - VZ Commodore & 2WD Crewman. This bush does not have the two way washer for "comfort" and "sports" settings and is NOT Castor adjustable but when fitted provides $\frac{1}{4}$ degree more positive castor than standard. The EP9166E is an affordable alternative to the already existing EP9166 for vehicles where a better than standard replacement is desired.

The EP9166E kit includes:

- Replacement bushes 8166E-A x 2
- Replacement bushes 8166E-B x 2
- Crush tubes x 2
- Grease satchel
- Large flat washers x 2
- Small flat washers x 2
- Replacement plate x 2
- Fitting instruction sheet

EP9166E

- Replacement to OE hydraulic bush
- Made from urethane to reduce longitudinal wheel movement particularly under braking. Hence the EP9166E reduces wheel movement under braking.
