PEDDERS SUSPENSION

Australia's Number 1

Shock Absorber, Steering and Suspension Specialists

LOCK IT, LOOP IT, LEAVE IT!

ToyLok™ Advanced Security System has a tamper resistant design that makes it difficult for scavengers to swipe your stuff! It's simple yet impenetrable design secures everything from ATV's and bikes to your portable tools, generators and camping gear. Housed in a sealed compact case, ToyLok™ attaches to your vehicle frame using one of many available mounts. Just extend the retractable security cable, loop it through your toys and lock it with a padlock. ToyLok uses state-of-the-art components and powder coat chip resistant finish, so it's maintenance free and easy to use. ToyLok™ retractable cable offers unrivalled strength, versatility and convenience. Housed in a compact case it offers tough braided steel security for any and all of your belongings. Original ToyLok™ Safety brakes slow the retraction of the PVC coated security cable while stainless steel cable ends protect from damage and use.

- Finely braided steel PVC coated cable defies bolt cutters
- 11 gauge welded steel construction
- 3 year manufacturer's warranty
- Breakaway security nut

- Rated to 8,000 lbs.
- Retraction clutch prevents cable snap back
- Safe and easy to use by the entire family
- 5 1/2 Metres of lockable security from the cut resistant galvanised steel cable

Original ToyLok™

HR-TL1020 - 5.5m Steel Case

Nylon ToyLok™

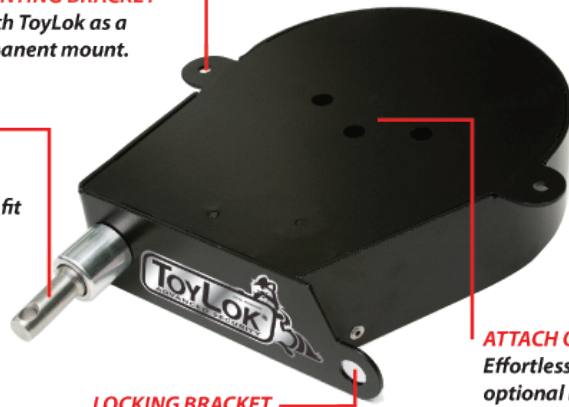

HR-TL2021 - 4.6m Nylon Case

MOUNTING BRACKET

Attach ToyLok as a permanent mount.

STEEL CABLE END

The stainless steel end withstands the toughest abuse and is designed to fit almost any padlock.

LOCKING BRACKET

Fasten the cable end and lock directly to ToyLok.

ATTACH OPTIONAL MOUNTS

Effortlessly attach your optional mount onto the ToyLok housing unit.

Kits Suit Both Units

HR-TL007 - Trailer Mount Kit

HR-TL010 - Toolbox Fitment Kit
