Pedders has added the above mentioned part number listings to its range of power steering rack and pinion gears in the last 12 months. Pedders remanufactures its range of steering gears to ISO 9001 standards. By following stringent ISO 9001 protocol, every Pedders re-manufactured power steering unit is completely disassembled with each individual component being measured, rebuilt and tested to meet specifications equal to or better than Original Equipment (OE) standards.

PEDDERS POWER STEERING
