Pedders Suspension has now added the aforementioned "Extra Leafs" to its comprehensive range of leaf spring products. Extra leaves give added ride height clearance and load carrying ability with minimum installation time. Made from the highest quality grade spring steel this range of Extra Leafs are fully shot peened and scragged.

Designed to provide support, stability and safety to a vehicle Pedders extra leaves are great for load carrying and towing applications.

### Key features include:

- Chamfered ends to prevent noise and wear
- Pre-drilled centre bolt hole
- Graphite primer on all sides
- Matt black finish
- Fully shot peened and scragged
- Made from highest quality grade spring steel
- Wide variety of sizes and thicknesses to select from
