Pedders is eXtremely pleased to offer our very first Officially Licenced V8 Supercars product called "SportsRyder Supercar Adjustable Coilover". The SportsRyder Supercar Adjustable Coilover Kit offers eXtreme ride control for the hardcore enthusiast. SportsRyder Supercar Coilover kits are the most advanced solution for your Holden VT to VE Commodore and Ford BA to FG Falcon sedans. The separate bump and rebound adjustment allows the driver to dial in the "setup" of the cars handling balance just like the race teams do. Add to that full height adjustment from the base mounts that maintains bump and droop travel on all four corners and you have a premium suspension system, tuneable to individual needs.

- Adjustable 30 position Bump Damping
- Adjustable 30 position Rebound Damping
- eXtreme Size Remote Canisters
- 52mm Fully Threaded Monotube Body
- Pedders 2 year /40,000 km Nationwide Warranty
- An eXtreme GRIN on your face!
