Your search for a complete brake solution stops here!

Melbourne Australia March 1st 2011

Pedders has teamed up with Bosch, DBA, PBR & Bendix to bring you one of Australia's most comprehensive range of brake parts made available to the trade:

- Replacement, Performance & 4WD Rotors & Pads
- Brake Calipers, Master Cylinders & Wheel Cylinders
- Performance Upgrade Kits
- Load Proportioning Devices & Brake Boosters
- Fluids, Greases & Liquids
- Solid and Flexible Brake Lines
- Repair/Overhaul Kits

BOSCH

Mark Pedder – Managing Director, Pedders says:

"I am very proud to officially release our latest range of brake parts designed to strengthen our relationship with our aftermarket trade customers. We have worked very hard over the last 12 months with our Brake partners PBR, Bosch, DBA & Bendix to bring you one of the largest ranges of brake parts in the country."

The latest brake offering will combine with Pedders ever increasing product line up which has recently included some vital under-car component additions such as airbag kits, adjustable coilovers and towbars. For further information regarding Pedders please contact your local outlet or visit www.pedders.com.au
