

PEDDERS NEW PRODUCT

November 2010

NOW IN STOCK

BUSHES BUSHES BUSHES BUSHES BUSHES

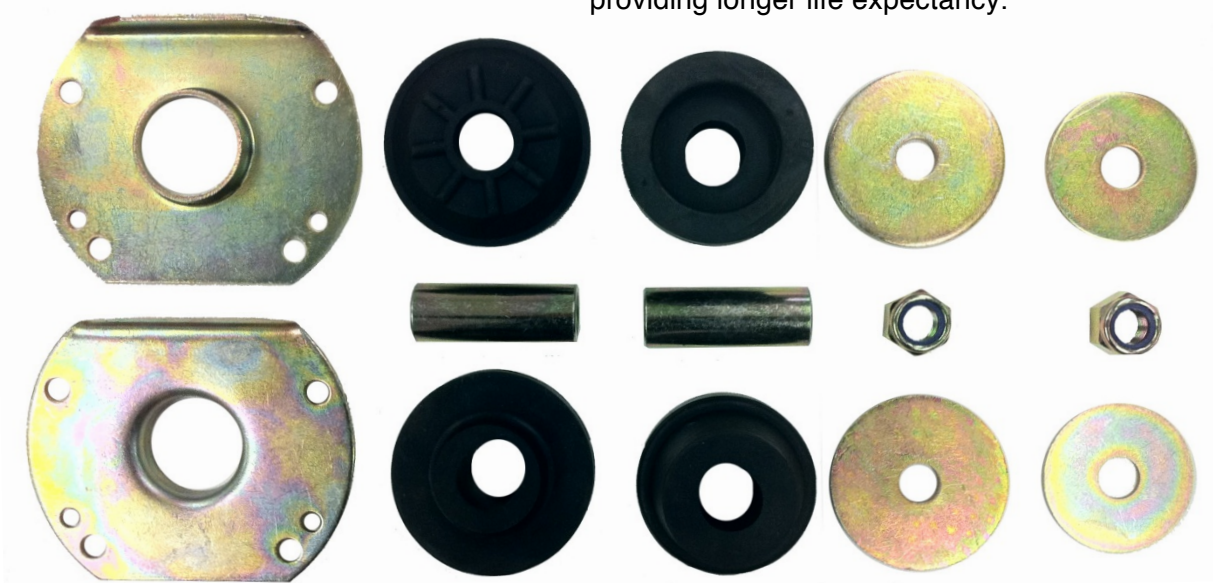

Pedders Suspension now has in stock a new heavy duty rubber castor bush called the 5892 to suit the Holden VT - VZ Commodore & 2WD Crewman. This durable rubber bush has been designed to enhance the driveability of the VT-VZ Commodore with the use of compliant rubber compound bushings in an affordable direct replacement design. The 5892 is an affordable alternative to the already existing EP9166 for vehicles where a better than standard replacement is desired.

The 5892 Kit Includes:

- Replacement Bushes 5892-A X 2
- Replacement Bushes 5892-B X 2
- Crush Tubes x 2
- Large Flat Washers x 2
- Small Flat Washers x 2
- Replacement Plate x 2
- Fitting Instruction Sheet
- Nyloc Nuts x 2

5892 Heavy Duty Rubber Castor Bush Features & Benefits:

- Direct replacement to OE hydraulic bush.
- Made from durable rubber to provide good NVH characteristics while reducing longitude wheel movement particularly under braking. Hence the 5892 reduces wheel movement under braking thus providing good directional stability under braking.
- Provides precise steering feel and smooth/responsive driving.
- These durable bushes are a non-hydraulic design thus providing longer life expectancy.
