Pedders Suspension has recently expanded its range of high performance products to now include a new range of Pedders eXtreme HP-Drive Shafts. With eXtreme rated horse power ratings of 700HP for selected Ford Falcon models and 600-1400HP for selected Holden Commodore models these drive shafts are built tough to withstand the eXtreme demands of high horse power performance vehicles.

For further information please contact your local Pedders Suspension specialist or check out www.pedders.com.au Note: See our Pedders Suspension catalogue for up to date information.
