Pedders have just added SportsRyder lowered coils to suit the Mitsubishi ASX 2010-On model.

Pedders produces its coils springs in Melbourne Australia to the highest possible standards following ISO 9001 International Standards, ISO 14001 International Standards & AS/NZS 4801 Safety Standards. All Pedders springs are produced according to a strictly controlled design, manufacturing and testing process that ensures Pedders' coils exceed original tolerances and are equal to or exceed the best in the world in consistency of rate, loaded height and reliability. This insures a quality product in every coil manufactured.

The fitment of 22058(front) and 22059(rear) SportsRyder lowered springs into the Mitsubishi ASX provide a great lowered look and improved handling.
