AIR ASSIST
ADJUSTABLE AIR SUSPENSION

Pedders Air Assist now has another helper with the release of our new Air Assist Heavy Duty Kits

Pedders new Air Assist Heavy Duty Kits add a whole new dimension of durability and load carrying assistance. Featuring an Air Assist Air Bag and High Pressure Sleeve these new kits are built tough to withstand heavy load conditions. The key feature of the kits is the new high pressure sleeves which are designed to wrap around the entire Air Assist air bag which can then be installed into the spring. Pedders Air Assist Heavy Duty Kits are now available from your local Pedders outlet to suit selected Ford Maverick, Nissan Patrol and Mitsubishi Pajero models.

Key Features and Benefits include:

- High strength, high tensile fabric sleeve for extra durability
- Higher than normal inflation pressure with the sleeves fitted creates an even stronger lift under load
- Improved load carrying capability
