Pedders new upgrade suspension components are now available to suit the 12/09 on Mitsubishi Challenger model. Options include both front and rear springs as well as shock absorbers. You can be confident that Pedders have the right combination of components to enhance the suspension of your Mitsubishi Challenger so you may enjoy a range of new experiences.

#### Product Highlights

Pedders SportsRyder shock absorbers and Pedders TrakRyder gas shock absorbers both feature a large 35mm bore, heavy-duty twin-tube construction and heavy duty double welded mountings. Both shocks have been purposely designed to maintain a comfortable ride with precise handling. Pedders TrakRyder and Pedders Heavy Duty coils are made from premium quality grade steel. Both types of coils are also 100% loaded height and rate tested for accuracy. Made to ISO9001, ISO14001 & AS/NZS4801 quality, environmental & safety assured international standards, Pedders coils are a premium product.
