Part #	Make	Model	F/R
150519	Toyota	Landcruiser 70 Series Wagon/Troop/Ute VDJ76R/VDJ78R/VDJ79R	F
150545	Toyota	Landcruiser 70 Series Wagon/Troop/Ute VDJ76R/VDJ78R/VDJ79R	R

Pedders have developed a new range of shock absorbers to suit mining applications. The brief was to design a benchmark shock absorber that would fit the typical mining vehicle criteria of best practice to maximise health and safety of the vehicle occupants, comfort, sustainability and also be competitively priced. The result is a shock absorber that has been designed for extreme conditions in underground and open pit mines and contractor vehicles subjected to constant weight and abuse.

VDJ76R Series Wagon

VDJ78R Series Troop Carrier

VDJ79R Series Ute
