Land Rover Discovery 3 & 4 bushing solutions

Pedders continue to add to their 4x4 parts program with a range of polyurethane bushing solutions for the Land Rover Discovery (Series 3 & 4) and Range Rover (incl Sport) models.

Covering all the front and rear control arm bushings, Pedder's bushings boast design features that provide:

- Ease of installation – no press required.
- Friction management (no groans or squeaks) via the internal bore grease retention system.
- Strength and articulation required for off-road performance.
- 2 Year 40,000km Nationwide Warranty.
