Pedders have launched a set of front and rear SportsRyder lowered coil springs to suit the 2011-On Holden Cruze range of models.

Pedders coil springs are made in Melbourne Australia to the highest possible standards following ISO 9001 International Standards, ISO 14001 International Standards & AS/NZS 4801 Safety Standards. All Pedders coil springs are manufactured according to a strictly controlled design, manufacturing and testing process that ensures Pedders' coil springs exceed original tolerances and are equal to or exceed the best in the world in consistency of rate, loaded height and reliability. This provides for a quality product in every coil produced.

If you're looking for that great lowered look on your vehicle you can't go past Pedders SportsRyder lowered coil springs. The increased spring rate provides improved handling for a sporty drive.
