Pedders, Australia's number 1 undercar specialists are proud to announce the official release of Pedders SportsRyder lowered coil springs to suit the Holden Commodore VF sedan and ute range.

Pedders coil springs are made in Melbourne Australia to the highest possible standards following ISO 9001 International Standards, ISO 14001 International Standards & AS/NZS 4801 Safety Standards. All Pedders coil springs are manufactured according to a strictly controlled design, manufacturing and testing process that ensures Pedders coil springs exceed original tolerances and are equal to or exceed the best in the world in consistency of rate, loaded height and reliability. This provides for a quality product in every coil produced.

If your looking for that great lowered look on your vehicle you cant go past Pedders SportsRyder lowered coil springs. The increased spring rate provides improved handling for a sporty drive and that great lowered look.

Quality Without Compromise

- Premium quality grade steel
- Stress relieved and 100% QA inspected
- Load height tested
- Lowered appeal unbelievable feel
