

## PRODUCT REVIEW

Pedders is proud to supply Akebono Performance ceramic brake pads to suit many makes and models. With ceramic technology, these brake pads are an ideal upgrade or replacement solution for your car. Three separate pad ranges are available from your local Pedders outlet:

- Akebono Performance – For performance driving applications.
- Akebono ProAct – For original equipment replacement applications.
- Akebono Euro – For European vehicle applications.

### With so many features and benefits you can't go past Akebono Brake Pads....

- Clean wheels no squeals!
- Ceramic technology
- Rotor friendly for longer disc life
- European braking performance with enhanced pedal feel
- Friction formula specifically designed for your vehicle
- Long lasting brake pad formula
- 0% pedal pulsation
- Unrivalled stopping power
- Perfect upgrade for original equipment
- Ultra quiet

### Original Equipment Brake Pads VS Akebono Ceramic Brake Pads.

- Less brake dust means clean wheels no squeals!
