Pedders TrakRyder Shock Absorbers

Part #	Make & Model	Model Code	F/R	Description
153546	Mitsubishi Triton 4wd ML-MN	2006-On	Rear	TrakRyder Shock Absorber

Pedders premium range of TrakRyder Gas Charged Shock Absorbers are now available for the Mitsubishi Triton 4wd ML-MN model range.

The gas-charged TrakRyder shock absorber uses nitrogen gas pressure to enable precise control without compromising on ride comfort on your Mitsubishi Triton.

FEATURES & BENEFITS:

- Large 35mm bore and piston is greater than most original equipment size and provides an increased oil capacity for greater ride improvement.
- Multi lip high pressure seal prevents shock absorber leaks and is designed to permanently seal the oil and gas inside the shock.
- Heavy Duty twin-tube construction technology & heavy duty reinforced double welded mountings for long term durability.
- Heavy duty replacement units suitable touring, towing & 4WD applications.
- Designed to deliver a new standard of comfort and road holding ability.
- Nitrogen Gas Charged.
- Direct OE Fitment.
