

### Pedders Shock Absorbers

Part #	Make & Model	Model Code	F/R	Description
154355	Ford Everest	9/2015 On	FR	TrakRyder Foam Cell Spring Seat
151237	Ford Everest	9/2015 On	R	TrakRyder Foam Cell Shock

### Pedders Coil Springs

Part #	Make & Model	Model Code	F/R	Description
270067	Ford Everest	9/2015 On	F	Pedders Heavy Duty Coil Spring Standard
280067	Ford Everest	9/2015 On	F	TrakRyder Coil Spring Raised
280130	Ford Everest	9/2015 On	R	TrakRyder Coil Spring Raised
270130	Ford Everest	9/2015 On	R	TrakRyder Coil Spring Standard

Pedders has recently increased its range of shock absorbers and coil springs to suit the 2015-On Ford Everest Model line up. The brand new performance TrakRyder Foam Cell shock absorbers have been designed to work in conjunction with Pedders TrakRyder coils and/or original equipment coils.

The foam cell technology found in the Pedders TrakRyder foam cell shock absorber virtually eliminates shock fade, by allowing full oil contact with both the inner and outer housings.

The TrakRyder foam cell shock provides larger cooling areas to improve shock performance and durability. The TrakRyder foam cell shock eliminates the mixing of the oil and air which ensures optimum damping control in all conditions. The extra large 40mm bore and piston is much greater than original equipment size and provides an even larger increased oil capacity for greater ride improvement.

**Pedders TrakRyder Foam Cell shocks offer the following key features and benefits:**

- Sintered iron piston.
- Massive 40mm bore.
- Cellular Foam Membrane.
- 2 Year/40,000km nationwide warranty

**Pedders Brand and TrakRyder brand coil springs offer the following features and benefits:**

- Premium quality grade steel.
- Stress relieved and 100% QA inspected.
- Load height tested.
- Coil springs are offered in several ride heights to suit the required driving application.
- Heavy duty units provide precise spring rates needed for ride control.
- 2 Year/40,000km warranty.
