Pedders Suspension, Australia's premier undercar aftermarket parts supplier is proud to offer our latest range of suspension components to suit the Nissan Navara 4WD 2015 On NP300 model line up. Included in this latest range is a complete strut assembly with a standard coil spring. Also on offer is a range of front and rear shock absorbers, front shock mounts plus several ride height options in our famous range of coil springs.

Pedders Ezifit Complete Strut Assemblies Offer:

- Supplied as a matched set of pre-assembled suspension components including Pedders Shock Absorber, Heavy Duty Spring, Bumpstop, Boot Kit and Strut Mount.
- Reduced installation time as the components are supplied pre-assembled and ready for direct fitment.
- Individually shock dyno tested for quality assurance.
- Pedders Shock Absorbers included in the EziFit kit are made from heavy duty twin-tube construction technology & heavy duty reinforced double welded mountings for long term durability.

Pedders Shock Absorbers Features & Benefits:

- Rugged multi-purpose design improves stability and ride comfort for touring, load carrying, towing and 4wd applications.
- Advanced control for a comfortable ride and precise handling.
- Heavy Duty twin-tube construction technology & heavy duty reinforced double welded mountings for long term durability.
- Individually shock dyno tested for quality assurance.
