SHOCKS SHOCKS SHOCKS SHOCKS SHOCKS

FOR THE FOLLOWING MODELS:

MAKE	MODEL	DESCRIPTION	PART NUMBER
Holden	VZ Commodore	GSR Short Body Strut	9433L
			9433R

The 9400 series gas sports strut features a short body and is particularly suitable for lowering applications on the VZ Holden Commodore range.

A short body strut provides a more comfortable ride and improved handling response whilst offering more suspension travel for lowered vehicles.

A smoother ride and improved performance are the key benefits of the 9433L & 9433R shocks.
