Pedders has continued to expand its range of Power Steering parts. Spearheading the expansion is its range of power steering racks.

Pedders power steering units are all manufactured to Q1 & QS9000 standards.

For further information upon the release of Pedders new power steering racks please contact your local Pedders Suspension Specialist or check out www.pedders.com.au

Note: See our Pedders Suspension Catalogue for up to date information & keep an eye out for further new additions to the power steering range over the coming months.
