Pedders' Sports Ryder coils represent the ultimate in performance suspension. Sports Ryder products, either as stand alone replacement parts or when integrated into a full Sports Ryder suspension system, effectively out-perform original equipment whilst at the same time enhancing a vehicle's handling and safety characteristics. Sports Ryder lowered coil springs improve traction, ride quality, turn-in and cornering ability whilst offering greater steering precision and stability under braking.

Pedders Sports Ryder Suspension..Lowered appeal..Unbelievable FEEL! NO BULL!
