VE Commodore Front Alignment			
PART #	MAKE	MODEL	DESCRIPTION
5421	Holden	VE Commodore	Caster Lock Washer

Pedders Suspension has recently expanded its range of parts to suit the Holden VE Commodore. Recently added to the ever expanding list comes the Pedders Suspension 5421 Caster Lock Washers.

Pedders 5421 Caster Lock Washers assist to correct vehicle pulling to one side whilst moving thus allowing the car to drive straight. Once installed the 5421 is a once only adjustment with a set and forget method of application.

The 5421 is made from durable anodised steel. This caster lock washer positively corrects the vehicles wheel alignment caster via an offset lock washer. One kit per car.

For further information please contact your local Pedders Suspension Specialist or check out [www.pedders.com.au](http://www.pedders.com.au) Note: See our Pedders Suspension Catalogue for up to date information.
