Pedders Suspension Australia's Number 1 Shock Absorber Steering & Suspension Specialists are pleased to release our expanded range of shock absorbers to suit the Holden Astra.

Pedders Comfort Gas range features a unique VRD valve which enables the average motorist to be within reach of a truly responsive shock absorber. The secret to Pedders VRD shock Absorber is within the shock's valve, designed to control oil flow and respond instantaneously to different driving conditions. The result is the most responsive shock absorber available on the market today that provides the average motorist with an even greater level of driver comfort and vehicle performance.

For further information please contact your local Pedders Suspension Specialist or check out www.pedders.com.au Note: See our Pedders Suspension Catalogue for up to date information.

Straight advice, specialists you understand and... No Bull
