5041	All	Front Steerable Top Mounts	F

5041 - Front Steerable Top Mounts Suitable for fitment to Pedders Sports Ryder eXtreme XA Coil Over kits.

Pedders Sports Ryder Pillowball Camber Plates provide full camber adjustability for fitment to Pedders Sports Ryder eXtreme XA coil over kits.

Pedders Suspension is proud to release its latest addition to the Sports Ryder eXtreme XA Range of products.

Pedders Sports Ryder eXtreme XA Pillow Ball Camber Plates now provide you with full camber adjustability for fitment to your eXtreme XA coil over kits.

These can be used with the Pedders 5041 roller bearing top spring seat to maintain smooth steering response and returnability. This is achieved by dividing the articulating and rotational loads between the upper mount spherical bearing for articulation and the roller bearing top spring seat for rotation delivering premium steering feel and response with full camber adjustability.

For further information please contact your local Pedders Suspension specialist or check out [www.pedders.com.au](http://www.pedders.com.au)  
 Note: See our Pedders Suspension catalogue for up to date information.
