Pedders Suspension Sports Ryder Extreme XA Adjuster Flexible Extensions		
Part Number	Description	Length
191001	eXtreme XA Adjuster Flexible Extension	125mm
191002	eXtreme XA Adjuster Flexible Extension	250mm

Pedders Suspension Sports Ryder Extreme XA Adjuster Flexible Extensions are designed to lock onto the damping adjuster button of Pedders Sports Ryder Extreme Xa Coilovers. This allows hard to get at damping adjusting buttons to be extended to a more accessible location in the vehicle. Flexible extensions will work on angles of up to 35 degrees and can extend the adjuster up to 250mm from the top of the damper itself. Favoured locations are rear parcel shelves, rear wheel wells and brackets or panels in and around the boot or hatch.

For further information please contact your local Pedders Suspension specialist or check out www.pedders.com.au
