Pedders Suspension is proud to expand its range of Heavy Duty Adjustable Panhard Rods to suit this list of various makes and models.

Of particular interest comes the release of the Pedders Suspension 4WD Adjustable Panhard Rods to suit a range of the Nissan Patrol & Toyota Landcruiser.

Features:

- Made from tough heavy duty steel with anodised finish.
- Comes with pre fitted heavy duty urethane bushes or spherical joints (subject to application fitments).
- Adjustable steering damper brackets (on selected models).
- Adjustable length.

Benefits:

- Heavy Duty construction and bushings to handle the tough rigors of off road conditions.
- Adjustability allows correction of axle alignment for better trackability.
- Allow front and rear tracks to be aligned to each other to assist in improving traction in muddy and sandy conditions.
