Pedders Sway Bar Links

Part #	Make	Model	F/R
424280	Holden	Commodore VE	FR
424281	Holden	Commodore VE	FL

Pedders Suspension is proud to release its expanded range of replacement sway bar links to suit the Holden VE Commodore Sedan, Ute and Wagon.

- Affordable standard replacement units for when O.E unit fails. Note that in our experience the worn out O.E. unit may create an annoying knocking noise prior to total failure.
- Steel annodised finish.

For further information please contact your local Pedders Suspension specialist or check out www.pedders.com.au Note: See our Pedders Suspension catalogue for up to date information.
