Recent additions to the Pedders range of standard replacement shock absorbers include front and rear shocks to suit the Holden Cruze, Hyundai Elantra and Kia Cerato.

Pedders shock absorbers are an ideal alternative for the budget-conscious motorist who is simply looking to return his/her vehicle back to its original ride and handling qualities. However, the additional features give similar performance to premium quality gas shock absorbers at a more affordable price. These features include; precisely tuned valving, heavy duty construction and accurate nitrogen gas pressurisation. These key features equate to a superior shock absorber with smoother and quieter ride characteristics.

Pedders shock absorbers offer the following key features and benefits:

- High quality, direct upgrade replacement for original.
- Nitrogen gas pressurised for consistent and precise control.
- Heavy duty construction for long term durability.
- Smooth and quiet ride characteristics.
- 2 Year/40,000km nationwide warranty.
