Pedders Suspension is pleased to announce the release of its range of sports replacement shock absorbers for the Chrysler 300C. Included in the range is front and rear shocks in our Sports Ryder series. The Sports Ryder shock absorber range is for the motorist who is after that extra level of performance and sports handling.

The gas-charged GSR Sports Ryder shock range uses tailored nitrogen gas pressure to enable precise control without compromising on ride comfort. Gas Sports Ryder sealed struts and cartridges are high performance, heavy duty replacement units which deliver a new standard of comfort and road holding ability for today's hi-tech vehicles.

Our Sports Ryder range of products is always expanding so see in store for further details on our range of springs, sway bars, link pins and specialised performance alignment products.
